

Kupe Canoe Club

Notice of the 2007 Annual General Meeting and Opportunity to View the New Clubrooms

When: Tuesday 27 November, 7.45 – 8.45 pm

Where: The new Kupe Boat Sheds, Evans Bay Parade

Dear Members,

We finally have access to the new boatsheds and new storage racks have been built. Thank you all for your patience over the last six months, whilst you have been storing your boats in the containers or at home.

The new facilities mark an important event for the Club, and as well as holding the AGM, I would like to invite members to walk around and inspect the new boatsheds and the main facility.

Operational Aspects of the New Facilities

As part of the AGM, we want to discuss with members some of the operational aspects of the new facilities, for example storage requirements, access keys and swipe cards, care and maintenance obligations etc. This is necessary so that the Club meets its obligations as a tenant, but equally, it is important that you are involved so that you as the user get a facility that meets your needs.

Additional Committee Members

Last year the Committee was bolstered by the addition of several new members, and with the redevelopment of the clubrooms it was great that these members had a multi-sport interest.

However, some of the more senior members of the Committee have indicated that the forthcoming year will be their last year on the Committee, and therefore the Club still needs new members to come forward and take an active interest in running the Club.

If you are interested in being involved in the running of the Committee, please give me a call on 021 332 666.

I look forward to seeing you all next week.

Peter Mitchell
Club President
